This assessment will be payable as to any lot purchased by a builder who purchases a lot for the purpose of building a custom home under contract with the ultimate residents. This assessment will be prorated on a calendar year basis from the date title to each lot for which assessment is payable, is transferred to the Owner.

(d) The annual assessment may be increased or decreased by the board of directors of the Association without a vote of the membership to an amount not more than twenty percent (20%) in excess of the annual assessment for the previous year. A majority vote of each class of voting members of the Association must approve an increase & decrease in the yearly assessment if the increase or decrease exceeds the assessment for the previous year by more than twenty percent (20%).

(e) Annually the board of directors of the Association shall have determined and shall have given written notice to each Owner of the annual assessment affixed against each owner for the immediately succeeding calendar year.

Section 3. Special Assessments

In addition to the assessments specified herein above, the Association may levy special assessments for the purpose of supplementing the annual assessment if the same are inadequate to pay the reasonable maintenance expenses and operating costs of the Association as described in Section 2 hereof, provided that such special assessments shall have the assent of a majority of each class of the voting members of the Association at a duly called meeting.

Section 4. Removal of Obstruction and Unsightly Growth, Debris, and Materials

(a) The Association may remove any obstruction of any nature located within road

right-of-ways or other Common Property (including but not limited to trees, shrubs and mailboxes) which, in the opinion of the Association, either might produce a hazard or might interfere with the ability or willingness of the State of North Carolina (Or agency or department thereof) to take over the responsibility for maintenance of the roads.

(b) The Association shall have the right, in its sole discretion, to charge back the actual cost of removing of obstruction against the Owner who directly, or through agents, contractors or invitees, caused or permitted the obstruction to be placed in the road right-of-way or other Common Property, and such Owner shall indemnify and save the Association harmless from all liability, claims, damages and expense imposed upon the Association at law or in equity, caused by or resulting from the placement of the obstruction in the road right-of-ways or to other Common Property. In the event the Owner responsible for such charge or liability as aforesaid fails and refuses after demand by the Association to pay said charge or liability, then the Association shall have a lien against his lot thereon and may enforce collection of the charge or liability, together with reasonable attorney fees, by any and all remedies afforded by law or in equity, including without limitation, the filing of a notice of lien and perfecting the same as by law provided, and that such charge or liability shall become a charge or lien against the said lot or dwelling unit.

(c) If the Association, in its sole discretion, determines that any lot has become unsightly due to grass or weeds not mown, or due to debris of any nature having accumulated on the lot, then the Association shall have the right from time to time to enter the lot for the purpose of mowing the grass or removing the debris. At least ten (10) days prior to entering a lot for said purpose, the Association shall advise Owner by letter, sent to last known address, of the action to be taken. If the Owner does not remedy the problem within the said ten (10) day period. The Association shall take reasonable steps to avoid damage to any trees planted on such lot, to the extent that the Association has been put on written notice in advance by the Owner of the approximate location on a chart or map or such lot showing the location of planted trees to be avoided.

(d) The Association shall have the right in its sole discretion, to charge back the actual cost of mowing the grass or removing the debris against the Owner. In the event the Owner responsible for such charge or liability fails and refuses after demand by the Association to pay said charge or liability, then the Association shall have a lien against his lot and may enforce collection of the charge or liability, together with reasonable attorney fees, and all remedies afforded by law or in equity, including without limitation, filing of a notice of lien and perfecting of same as by law provided to the end that such charge or liability shall become a charge against said lot or dwelling unit.

Section 5. Duty to Make Repairs

(a) Until accepted for maintenance by governmental authority, the obligation for repairs, maintenance and improvements of roads as shown the aforesaid plat(s) or any other common property shall be the responsibility of the Association with the Owner of each lot except as provided herein, being responsible for payment of the assessments levied by the Association, which assessments shall be the personal obligation of the Owner of each lot.

(b) The decision to expend Association funds to repair and maintain roads or other Common Property shall be made by a majority of the board of directors of the Association. By such vote, the board may delegate such authority to any committee of the board. No owner may waive or otherwise escape liability for the assessment provided for herein by non-use or abandonment of his lot.

(c) Notwithstanding the foregoing, each Owner of a lot shall be solely responsible for any repairs to a road right-of-way or other Common Property caused by the negligent act or acts of said Owner, his or her invitees, agents, licensees, or guests. For these purposes, it shall be a negligent act for any building material to be unloaded on any road or road right-of-way.

Section 6. Late Charges and Interest on Unpaid Assessments

Any assessment not paid within thirty (30) days after due date shall be subject to late charges and bear interest at a rate per annum as determined by the board of directors of the Association. The interest rate shall not exceed the highest rate of interest allowed by law. The initial late charge

imposed for late payment of any assessment is \$25.00. The initial interest rate for a late payment is 18% per year (1.5% per month) which shall commence to accrue on any assessment or other account balance that is not paid within thirty (30) days of the date due. The initial date upon which liens may be filed for failure to make payment of assessments and other charges is thirty (30) days after the due date. The board of directors may change the initial late charge, interest rate, due dates and lien assessment date by majority vote of the directors.

Section 7. Lien for Unpaid Assessments

(a) In the event the Owner of any lot fails and refuses, after demand by the Association, to pay any annual or special assessment, then the Association shall have a lien against said lot and may enforce collection of said assessment in law or in equity, including without limitation, the filing of a notice of lien and perfecting the same as by law provided. Such unpaid assessment together with costs and expenses of collection, including without limitation, reasonable attorney fees, shall be a charge and lien against the said lot.

When a claim of lien is filed or recorded in the Office of Clerk of Superior Court of Wilkes County, the Association may foreclose the claim of lien in like manner as a mortgage on real estate under power of sale under Article 2 A of Chapter 45 of the North Carolina General Statutes. Fees, charges, late charges, fines and other charges are enforceable as assessments under this section.

(b) To secure the payment of annual and special assessments levied by the Association, together with the cost of collection including attorney fees, all such charges shall be a continuing lien upon the lot against which the assessments are made. Such charges shall also be the personal obligation of the persona(s) who were the owner or owners of such lot at the time the assessment came due. Their personal obligation shall remain a lien upon the lot upon transfer of title but shall not become personal obligation of purchasers thereof unless expressly assumed by them.

(c) Neither the assessments nor the costs of collection shall be a lien upon any Common Property nor shall the lien upon any lot for such charges be senior to any first lien mortgage or first lien deed of trust regardless of the fact the lien arose prior to the date and time of recording of any such first lien mortgage or deed of trust.

Section 8. Fines for Violations

After notice and an opportunity to be heard, the Homeowners Association may impose reasonable fines or suspend privileges or services provided by the Association (except right of access to lots) for reasonable periods for violations of the Declaration of Restrictive Covenants, Declaration of Covenants, Conditions and Restrictions, Bylaws, Home Construction Guidelines, and Rules and Regulations of the Association.

ARTICLE IV

ARCHITECTURAL CONTROL

(a) In order to control design and location of the houses and other improvements to be constructed, erected, placed, or installed (hereinafter "improvements") upon the lots in the Subdivision, the Declarant hereby creates an Architectural Review Committee (hereinafter "Committee") for the purpose of reviewing, approving, suggesting changes to, and rejecting plans and specifications for such improvements (regardless of when such improvements are made), and the landscaping of each lot. This Committee is also created for the purpose of reviewing, approving, suggesting changes to, and rejecting, swimming pools, out buildings, boat houses, ramps, piers, driveways, enclosures for satellite dishes, and, if Declarant so desires, for mailbox design. This Committee will be responsible for the control of size, color, materials, and content of rental and sales signs in this Subdivision, and for the approval or disapproval of boats, boat trailers, travel trailers, motor homes, tractor trailer trucks, or any

other such vehicles that are kept or maintained or located upon any lot unless located within enclosed garages. The Committee will also be responsible for the control of temporary construction shelters or vehicles in this Subdivision. The Committee will require a fee of \$250.00 to review house plans for each Owner wishing to build. The review process may be subcontracted at the discretion of the Committee.

(b) The Committee shall consist of three persons designated or appointed from time to time by the Declarant, its successors or assigns, one of whom shall be appointed from among lot owners. After 90% of the lots in Subdivision are sold and 90% of undeveloped acreage is sold by the Declarant, its successors or assigns, said Committee shall be elected by a majority vote of the Board of Directors; provided, however, Declarant, its successors or assigns, shall be entitled to at least one Committee member until all of its lots in the Subdivision have been sold.

(c) Except within the building site (unless within 20' of the main dwelling), no trees of any kind in excess of 6 inches in diameter at ground level may be removed from any lot without prior approval of the Committee. No building, fence, wall outbuilding, or any other accessory feature to the dwelling or any other structure upon any lot shall be commenced, erected, placed, maintained, or altered on any lot of combination of contiguous lots until the Complete Construction Plans (hereinafter ("Plans")) are approved in writing by the Committee or its designated agents.

(d) Before any clearing, grading or construction of any nature begins on any lot, written approval in advance must be obtained from the committee. The Plans include the complete construction plans, the plot plan (showing proposed location and elevation of such building, fences, walks, drives, parking area, etc.) proposed building plans and specifications, exterior color, finish, and materials. The areas over which the approval shall be required shall include but shall not be limited to the size and plan of the principal residential structure, and all accessory buildings, structures and improvements on the lot, the location of the well, septic and repair area, the size and plan of the garage or carport, location and manner of construction of each driveway, swimming pool, utility building, patio, tennis court, and other improvements for athletic, recreational, or gymnastic purposes, and all other exterior improvements, the composition and color of raw and finished materials used on the exterior of all structures, and the location and type of any landscaping, shrubbery, and other plantings.

(e) The Committee or its designated agents shall have ten (10) days after physical receipt of the plans to accept or reject the same in whole or in part. If no response by the Committee has been made in writing within said 10 days, the plans shall be deemed to be approved as submitted. After the plans are approved and after the Committee gives written permission for construction to begin, the actual construction shall be commenced and completed in accordance with the approved Plans, together with the requirements of the Declaration. The Committee shall have the right to waive setback violations when the remedial costs of correcting such violation, in the Committee's opinion, would impose undue hardship upon the violator.

(f) The actual construction shall be the responsibility of the Owner of the lot and his builder. Any permission granted for construction under this covenant and any designation of approved licensed contractors shall not constitute or be construed as an approval, warranty or guaranty, expressed or implied, by the Declarant or the Committee or its designated agent of the structural stability, design or quality of any building or other improvement or of the contractor who constructs such building or other improvements.

(g) Before any clearing, grading or construction begins, a \$1,000.00 refundable road repair bond must be posted with the Homeowners Association. If the road shoulders and road have not been damaged during construction, the bond will be refunded. The property Owner is responsible for placing and maintaining a stone driveway to facilitate the delivery and distribution of building materials at a centralized staging area on the subject lot. This driveway is to be used before and during construction. After completion of construction, a Homeowners Association representative will inspect the roads and road shoulders near and in front of the subject property. The Owner (or builder) will be responsible for any necessary repairs.
